Politically Exposed Persons Assessment

(**) Identification of a Politically Exposed Person:

If you have provided information in respect of your directors, shareholders and beneficial owners above, you must check if they are considered PEPs (Politically Exposed Persons). We may require additional information for PEPs.

When are you considered a PEP?

- If you hold important public office¹ or have held such public office (in the course of the past 5 years).
- If you are related (immediate family² or close relative³) with a private individual who holds or has held important public office (in the course of the past 5 years).

If you are a PEP, you also have to answer the following questions (these questions must be answered by every PEP):

PEP Name:

1. Public office description and role:

2. Date when office was assumed: ____/____/____

Date when office was left: ____/____/____

PEP Name:

1. Public office description and role:

2. Date when office was assumed: ____/____/____

Date when office was left: ____/____/____

¹ Senior figures in the executives, legislature, administration, military or judiciary (elected or non-elected) and other branches of government, Politicians, Government officials or senior executives of government owned entities, Heads of States, Senior political party officials, Embassy officials, Royal Families, Persons who are or have been entrusted with a prominent function by an international organisation such as multinational companies and intergovernmental organisations, including members of senior management such as directors, deputy directors and members of the Board or equivalent functions.

² The parents, siblings, spouse(s)/partners, children, grandparents, grandchildren and close relations through marriage/partnership.

³ (i) Every private individual known to be the joint ultimate Beneficial Owner with a PEP of legal persons or legal constructions, or is connected to a PEP through other close business relations;
(ii) Every private individual who is the only Ultimate Beneficial Owner of a legal person or legal construction known to have been established to the actual benefit of a person who holds or has held important public office.
